How To: Submit your child's work for a Learning Task

If you are required to assist your child in submitting work online for a Learning Task, you can do so by going to their 'Learning Task' tab and clicking the title of the applicable task. This can be done via their student login, or from within your parent portal.

When in the task, click 'Create Submission'. If you don't see this option, it means online submission has not been enabled for this task; please contact the teacher for further assistance.

The screenshot shows a window titled "Learning Task - CAT 1: Benefits of Physical Activity". It has two tabs: "Task Details" and "Feedback". The "Task Details" tab is active, showing the following information:

- Name:** CAT 1: Benefits of Physical Activity
- Due Date:**
- Online Submission Enabled:** Yes

Below this information is a text box containing the instruction: "Students will present the social, physical and emotional benefits of physical activity to their peers in the form of an oral presentation."

On the right side, there is a "File Upload | Not-submitted" section. It features a "+ Create Submission" button, which is highlighted with a red box. Below this is a table with two columns: "Filename" and "Submitted". The table is currently empty, and a message below it states: "You have not submitted any items yet".

Select the file you want to upload from your device, it will then show as a submitted file. You can click the little disk/arrow icon next to the file to download it if at a later date you want to view it.

The screenshot shows the same "Learning Task - CAT 1: Benefits of Physical Activity" window. The "Task Details" tab is still active, and the information on the left remains the same. The "File Upload | Submitted on time" section on the right now has a green header. It still has the "+ Create Submission" button. Below it is a table with two columns: "Filename" and "Submitted". The table now contains one entry:

Filename	Submitted
Submitted work.pdf	17/08 03:13 PM

Next to the filename "Submitted work.pdf" is a small green download icon (a disk with a downward arrow).
